

Tenure-Track and Tenured Faculty Position at Department of Applied Mathematics, National Yang Ming Chiao Tung University (NYCU)

The Department of Applied Mathematics at NYCU invites applications for a number of tenure-track or tenured positions at all levels. The candidate's expertise is expected to complement departmental strength in the following areas:

1. Machine Learning and data science,
2. Mathematical modeling and scientific computing,
3. Probability and financial mathematics,
4. Partial differential equations and dynamical systems,
5. Discrete mathematics and optimization,
6. Number theory, analysis, geometry and other related mathematical fields.

Qualification: Every candidate must have an earned doctorate and a strong record of academic achievements, commensurate to the level of experience. In addition, commitment to excellence in teaching at the undergraduate, master and doctoral levels is expected. Proficiency in Mandarin teaching is not required but highly welcome.

Salary: In addition to the statutory annual salary, ranged from NT\$1 million to NT\$1.5 million depending on the rank, it may also include the following **possible** stipends and benefits for outstanding candidates.

1. **University Fellow:** Applicants with strong performance in research may receive additional NT\$ 10K-40K monthly.
2. **Governmental grant and stipend:** Outstanding applicants may apply for special programs from National Science and Technology Council, whose detailed regulations can be found on the [webpage](#).
3. **Yushan Fellow Program:** An exceptional candidate may apply for Yushan (Young) Fellowship and, once granted, may receive a maximum of NT\$5 million (NT\$1.5 million) annually from the Ministry of Education, along with up to NT\$1.5 million (NT\$1.5 million) for academic exchanges and work expenses. Please refer to the [webpage](#) for more details.

Expected starting date: Aug. 1, 2027.

Application materials

1. A cover letter including a statement of the applicant's research interest, teaching experience and qualifications.
2. A curriculum vitae that includes applicant's record of teaching, publications,

grants, advising, and administrative and leadership experience.

3. Three letters of recommendation to be sent directly to the email address below.
4. A copy of Ph.D. diploma.
5. Other materials that may be helpful to the application.

All applicants must submit their application by email to:

committee.math@nycu.edu.tw

Faculty search committee

Deadline: Applications received by March 15, 2027 will be given full consideration till the last round selection.
